ENHANCE YOUR HOME THEATRE EXPERIENCE

Redefine home theatre entertainment with the Samsung UHD TV MU6300 Series. Stunning brightness, enhanced shadow detail and accurate colour bring cinematic imagery into your home, with a wide colour expression that makes you feel like you're there. Watch any live or streaming video at four times more pixels than Full HD and access all of if in one place with the new Smart Hub® using the Samsung OneRemote Control.

4K Colour Drive
With 4K Colour Drive, colours are both vibrant and pure, giving you a realistic experience.

4K HDR Pro
With 4K HDR Pro and UHD dimming across 576 blocks, you can experience a wide range of colour and contrast, letting you clearly distinguish the transition from dark to light.

Essential Black Pro
Even the darkest shots reveal rich details, thanks to Essential Black Pro. Deep shades of black reveal elements that previously hid in the shadows of dark scenes.

KEY FEATURES

PICTURE

4K Resolution
Prepare to step up your viewing experience with UHD resolution. Four times more pixels than Full HD means four times the resolution, for a noticeably clearer picture.

Motion Rate 120+
Experience smooth action on fast-moving content with Motion Rate 120. Enjoy all the action without interruption, from the final seconds of a chase scene to the final pitch of a game.

†Motion Rate (MR) 120 uses proprietary backlight enhancements and advanced video processing technology in order to deliver a 120Hz-like viewing experience.

UHD Dimming
Divides and analyses the TV screen into hundreds of small zones to adjust colour, brightness and sharpness for true-to-life image quality.

DESIGN

Sleek Design
Looks stylish front to back with a classic square bezel, sure to complement any space.
